Â • â ”Neil Scott, host, Recovery Coast to Coast radio

Â • â ”Hope, support, and a clear road map for people with drug or alcohol addiction. Announcing a completely revised and updated second edition of

Â • â ”The Recovery Book, the Bible of addiction recovery. The Recovery Book provides a direct and easy-to-follow road map to every step in the recovery process, from the momentous decision to quit to the emotional, physical, and spiritual issues that arise along the way. Its comprehensive and effective advice speaks to people with addiction, their loved ones, and addiction professionals who need a proven, trusted resource and a supportive voice. The new edition of The Recovery Book features the revolutionary Recovery Zone System, which divides a life in recovery into three chronological zones and provides guidance on exactly what to do in each zone. First is the Red Zone, where the reader is encouraged to stop everything, activate their recovery and save their life. Next is the Yellow Zone, where the reader can begin to rebuild a life that was torn apart by addiction. Finally, the reader reaches the Green Zone, where he can enjoy a life a recovery and help others. Readers also learn how to use the Recovery Zone ReCheck, a simple, yet very effective relapse prevention tool.

Â • â ”The Recovery Zone System works hand-in-hand with the 12-step philosophy and all other recovery methods. In addition, The Recovery Book covers new knowledge about addiction mechanisms and neuroplasticity, explaining how alcohol and drugs alter the brain. The authors outline a simple daily practice, called TAMERS, that helps people to use those same processes to

Â • â ”remold their brains

Â • â ”around recovery, eventually making sobriety a routine way of life. Written by Al J. Mooney, M.D., a recovery activist who speaks internationally on recovery, and health journalists Catherine Dold and Howard Eisenberg, The Recovery Book covers all the latest in addiction science and recovery methods.

Â • â ”In 26 chapters and over 600 pages, The Recovery Book tackles issues such as:

Committing to Recovery: Identifying and accepting the problem; deciding to get sober.

Treatment Options: Extensive information on all current options, and how to choose a program.

AA and other 12-Step Fellowships: How to get involved in a mutual-support group and what it can do for you.

Addiction Science and Neuroplasticity: How alcohol and drugs alter pathways in the brain, and how to use the same processes to remold the brain around recovery.

Relapse Prevention: The Recovery Zone ReCheck, a simple new technique to anticipate and avoid relapses.

Rebuilding Your Life: How to handle relationships, socializing, work, education, and finances.

Physical and Mental Health: Tips for getting

healthy; how to handle common ailments. • Pain Control: How to deal with pain in recovery; how to avoid a relapse if you need pain control for surgery or emergency care. Family and Friends: How you can help a loved one with addiction, and how you can help yourself. Raising Substance-Free Kids: How to • addiction-proof • your child. • The Epidemic of Prescription Drugs: Now a bigger problem than illegal drugs. Dr. Al J. Mooney has been helping alcoholics and addicts get their lives back for more than thirty years, using both his professional and personal experiences at his family's treatment center, Willingway, and most recently through his work as medical director for The Healing Place of Wake County (NC), a homeless shelter. • The Recovery Book will help millions gain control of their mind, their body, their life, and their happiness.

Focussing on substance abuse the updated • The Recovery Book • give loads of information about symptoms, signs, and suggestions to address this fatal disease. The indexing is wonderful for quick reference - but once the chosen page and topic are located you will be drawn into the depth and variety of knowledge offered. In addition to information from all manner of sources - from the neurological to the social, from the mental to the physical this book also sorts stages of recovery in categories, or • zones •: Red, Yellow and Green. The Red Zone is the one in which you may be the most fragile; the beginning of a life in recovery. So many tools and resources are needed to be successful in this new life. It tells you what may be going on in your body, in your social

relationships, in your emotions and what you can do to address them and learn about your SELF. Make no mistake- even within extended periods of recovery - an event, an occurrence of addictive behavior in another part of your life, or falling under the illusion that you might have this under "control" can put all or part of you back in the Red Zone. The Yellow Zone; once you have managed the crisis phase of coming into recovery and have practiced your recovery process for some time, having it become a natural part of your life you are now ready to re-engage in life with vigor. You move to a more healthful outward focus and participate more fully in your life, your job /profession and begin to investigate more ways to be of service. The Yellow Zone activities can open yourself to situations that can trigger relapse and "The Recovery Book" gives tools and information to help you remain vigilant and on the healthy road.
