Know When To Hold 'Em: A Guide For Spouses Of Problem Gamblers

Synopsis

Don't allow your loved one's gambling addiction to ruin your life. Know when to ask questions, know when to set boundaries, know when to hold on. Unrecognized and devastating, gambling addiction affects two million Americans but even more hidden are the loved ones that become innocent victims. Problem gambling can start with a curious click on a website or after a stroke of luck at the casino, and it has no bias. Young mothers, corporate professionals, your neighbor, your spouse; Anyone can find themselves deeply in debt, caught up in lies, and unable to stop. Gamblers, spouses, loved ones, and clinicians will find guidance and tools for: choosing treatment, improving communication, rebuilding relationships, creating the best environment for recovery and marital happiness. Get the help you need today. Damon Dye, EdD, LMHC, provides valuable information for the innocent victim, the spouse who is left to rebuild the family finances, protect the children from the fallout, and determine if they can ever trust their wife or husband again. Customer Reviews

As an expert in the field, I was impressed with this book. The clarity of the presentation and the ease of reading were excellent. For anyone dealing with spouses of gamblers.... This is a must read!!! We need more informative books to help make the therapist most effective in dealing with this population. This hidden addiction needs more education and attention. Bravo Dr. Damon Dye.

My husband is a problem gambler in the early stages of treatment and recovery. He and I are both reading this book. It has helped us both to understand the feelings we are experiencing with real steps to deal with them. We both agree what is said of the gambler and the spouse are accurate to how we feel. It has given us deeper insight to what the other is feeling.
