BAR EXAM OUTLINES

Outlines to Help You Ace the MEE

Synopsis

Outlines to help you ace the bar exam. The Bar Exam is unquestionably the most important test of your life. The grueling multi-day test is the culmination of your years of law study. Those years might seem like a blur, but the information you learned (especially during 1L year) is now vitally important. Only this test stands between you and a career as a lawyer. In this booklet are outlines for all of the major topics covered on the MBE. These are the same outlines that I used to ace the bar exam (updated of course). They are not meant to supplant a bar review course or any course of study, but merely aid you in learning and remembering the volumes of information you will need to pass the bar exam. Good luck!

This booklet contains outlines for the following subjects: • Commercial Paper • Conflict of Laws • Contracts • Equity • Evidence • Family Law • Federal Jurisdiction and Procedure • Secured Transactions • Suretyship • Torts • Trusts • Wills
