Synopsis

5% of royalties received from the sale of Soul Mate for Sale are donated to The Trevor Project; the leading national organization providing crisis intervention and suicide prevention services to lesbian, gay, bisexual, transgender and questioning (LGBTQ) young people ages 13-24. Kenny In this place, the Omega Auction House, I was nothing but a commodity. A far cry from when I had just turned eighteen and after intense vetting and negotiations, my father had proudly announced that heâ™d placed me with the Whiskey River pack. No one could dispute that it had been a good placement, as Iâ™d spent the next four years being spoiled and cosseted by my Alpha. Four years of sharing his life, whimpering under his touch, and raising the pups that we had created together only to find myself here. Pregnant and alone, abandoned by the Alpha who'd sworn to make me his own. Drey Hell and damnation! My opportunity to make a good first impression on my new Omega and damned if my grand entrance hadn't gone unnoticed. Both Omegas present were intently focused on the dragon in the room. Not only that, but the bastard had a firm grip on the neck of the sweet little redhead I had just purchased. I wasnâ™t one to cling to the old adage that wolves and dragons had to be enemies, but seriously. Damn dragon. One unwanted Omega plus one eager Alpha, it should be simple, right? When Kenny's former Alpha attempts to re-stake his claim, the complications mount with Kenny the grand prize in The Mating Game.

Customer Reviews

Although this book could be read alone, the story and characters make more sense when you start from book 1. The writing is good and the characters are great. I really got a good sense of each one. I love books like that. I almost feel like I'm going through everything right beside them. Kenny, the Omega, went missing in the previous book. Rafe, an Alpha from a previous book, was hired to find him. Kenny, a very pregnant Omega, was originally sent away because his Alpha's, Colin's new contract mate sent him to the auction house. It was either that or she would have him and the baby killed. Colin had told Kenny that he would always love him and the only reason he hadn't claimed him was because he was expected to mate with the daughter of a rival pack to prevent a war. They already had children and Kenny was worried how Althea would treat them after Kenny left. At the auction house, Kenny was bought by Drey. Drey didn't expect to buy an Omega, let alone a pregnant one. Kenny was suffering from lack of an Alpha's touch. Between that and being petrified about his and the baby's future he was a mess. Drey took him home and comforted him, calmed him down. Kenny didn't want to tell Drey his story so Drey hired Rafe to find out. Rafe was stunned when he walked in and saw Kenny asleep against Drey. Rafe explained the story as he knew it and contacted Colin right there. Colin came immediately and was not happy about this Alpha's and Kenny's sent mixed together. At first Kenny was leary about Colin. He thought Colin had let him go and didn't care. Colin finally got through to Kenny that he loved him and would've spent his life looking for him. Drey liked Kenny but he knew Kenny loved Colin, wanted and needed him and so did the unborn baby. Drey told Kenny to give Colin another chance.
